

Junction Farm Primary School School Council Minutes

Date of Meeting: Tuesday 11th October

Agenda

1. Take Photos for the School Council board.
2. Discuss our aims for this year.
3. Think of Ideas to help the community and ways to improve the area around us

Notes:

All councillors attended expect from Year1s.

We set our aim for this year which is to be more involved with the community around us. As a group we discussed what a community is, why it is important, and began to think of ideas to help our own community.

Children were asked to speak to their classes about their thoughts on what a community is and to think of different ways we could help our community.

Actions:

Photos to be printed and put on our School Council display so people know who is on our school council.

In classes, discuss what the community is, why it is important and how we can help our own community.

Write the key questions on the tell school council boards – What is the community? How can we help our community?

Next Meeting: Tuesday 18th October
