Notes:

All School Councillors attended.

We discussed the idea of having a food collection to donate to homeless people during the Christmas holidays.

We began to think about how we would organise this through letters and information on the weekly newsletter.

We discussed the upcoming visit from the Mayor and are beginning to think about questions we would like to ask him. On the class boards we have wrote

‘What questions would you like us to ask the Mayor?’

Actions:

We are beginning to plan the food collection. At the Christmas fair we decided to have a board explaining what we will be doing and it will be the last day to hand in food.

We are meeting next Wednesday a person called Hillaire he will be talking to school council about pupil voice and how to improve on the school. This will be all morning.

We are meeting the Mayor of Stockton-On-Tees on the 15th November to ask questions. This will be during first break.

Next Meeting: Tuesday 8th November 2016
