8th – 12th July – Year 6 Carlton Lodge Residential

16th July- Go Fun Run
15th – 17th July – Year 5 Boggle Hole Residential

Welcome to Mrs Copland

Before the holidays, Mrs Copland joined our team at Junction Farm to accompany Mrs Teasdale in the school office, working at the front of house. We would like to say a big welcome to Mrs Copland!

Y2W Class Assembly

On Thursday 9th May, it will be the turn of Mrs Weldon's Y2W class assembly. The assembly will take place in the school hall at 2.50pm. All relatives are welcome to attend. We hope to see you there

Performance Showcase

On Wednesday evening, we had a wonderful performance of talents! This was organised to allow parents to see lots of the wonderful work that goes on in a number of our clubs/groups. We had performances from the Choir, Gymnastics Club, Glee Club, KS1 Ballet Group, Y2 Dance Team and a number of solos/duets from children who take part in small group music lessons. It was a wonderful evening, displaying the range of fantastic talents we have here at Junction Farm. Well done to all pupils involved and for the staff who were involved in organising the groups. Thank you to Mr Dunn for organising the event.

Joel McGlynn – Non-Uniform Day

Thank you to everyone who contributed to our non-uniform day last Friday. We raised £282.60 for Plastic Oceans UK. Joel is delighted and he would like to return to Junction Farm with the actual rowing boat that he is traveling in across the Atlantic Ocean. Exciting times ahead!

Open Forest School

A huge thank you to the children and parents who braved the wet weather and planted their shrubs and flowers in Forest School on Friday. They look beautiful! If you would like to contribute any more plants to Forest School we would be delighted. Many thanks.

The City Games

Ambassadors for the City Games from Junction Farm held an assembly this week. They made their own PowerPoint advertising the City Games to the whole school. A huge well done to them all!

Parents Questionnaire

Thank you for the responses from the questionnaires – we always appreciate your support. The responses are currently being analysed and we will share the results with you next week.

Early Years

This week we have continued to learn about plant life cycles and growing. The children have even planted their own beans this week and will be looking after their plants to see how they grow. Next week, we will be reading 'Avocado Baby' and will be exploring healthy eating and even tasting some Avocados.

End of day collection

Just a reminder that if children are collected at the end of the day (including at the end of clubs) by older siblings/relations, we ask that they must be aged 14 or over please – this is to ensure our pupils are all collected by someone who is old enough and responsible enough to ensure safety. Thank you.

Clothing Collection

Thank you to all families who have donated to the Chernobyl clothing collections. The donations were greatly received and we have had a lovely response from the charity. Thank you again.

ECO-TIP of the week

Avoid using plastic straws.

House points Emerald – 763hp Ruby –686 Diamond – 763 Sapphire –671

Whole school winner is William D in 5P with 45hp
